MINDEN, ONTARIO

THURSDAY, JUNE 12, 1975

TO ENLARGE HYDRO'S MINDEN AREA OFFICE

Ontario Hydro's Area Office in Minden will be enlarged this summer. A 630 square foot, single storey L-shaped addition, with a full basement of equal area, will be added to the rear of the existing building. It will be completed and ready for occupancy by September.

'We've been short of space for some time now,' says Doug Campbell, area manager, 'and have had to make use of the basement for office space and storage of active files, an inefficient and annoying arrangement.' 'The Minden Area is growing at a rate of about 500 customers a year so in view of the present needs and this growth the extension was approved,' he said.

Another problem has been the lack of an assembly room for staff safety and information meetings.

'Our safety program is most important as is the ever increasing need for employees to be well informed,' Mr. Campbell said. 'The full basement in the addition will provide a proper assembly room for these activities.' Because the existing heating system is over twenty years old and is not designed to heat an extended building the whole structure will be converted to electric heat. Central air conditioning will also be installed.

No fowl play

'Fowl Play' was ruled out at Minden Provincial Court a week ago Tuesday when charges against Alberta White of having liquor in her chicken coop were dismissed. When the 50 year-old Tory Hill woman was reported missing last March 22nd, Provincial Constable Ron Buchanan found footprints leading back to an old chicken coop on her property. He told the Court he discovered the woman curled up, shivering, with a bottle of Sherry, and attempted to drag her back to her residence.

When this proved impossible, the officer radioed for assistance and Mrs. White was rescued.

Justice of the Peace Dean Elliott commended Constable Buchanan for his efforts, noting that the woman might have passed away in the cold. However, he ruled amid laughter from the courtroom, that Mrs. White was entitled to drink in her own chicken coop if she wished.

Whatta Day!

Police week this year was from May 11 to 17 and here in Haliburton County some 559 persons paid a visit to

the Ontario Provincial Police Minden Detachment office on the Highway 35 Minden Bypass.

Displays and tours were the order of the week and for the many cou-

nty youngsters such as this local group of school children above whose visits help-

ed set a local Police Week attendance record it was the highlight of their young lives.

Only three out of 353 O.F.Y. jobs to Haliburton County

A report on the 1975 Opportunities for Youth projects presented at last Monday's meeting of Anson, Hindon and Minden Council showed that although a total of 353 student jobs were created through government grants in the counties of Peterboro, Haliburton, Victoria, Northumberland and Hastings, only three of these were in Haliburton. By population ratio, Haliburton received one government grant for each 10,000 persons whereas Victoria received four and Peterboro and Northumberland three grants each per 10,000 persons.

To apply for an O.F.Y. grant, a student must submit a detailed outline justifying the value of the project he is proposing.

Richard

Parisotto later pointed out, the project needs to be cleverly presented in order to catch the interest of the reviewing board.

O.M.B. rejects trailer bylaw

The regular meeting of Minden Council last Monday learned that the Ontario Municipal Board had rejected a by-law to limit trailers to tent and trailer parks. Under the Municipal Act, trailers are prohibited as permanent homes in places other than those specially designated for their use.

However, the Act states that a trailer may be parked on any piece of land for a period of up to 60 days. Following the meeting, Clerk

Whether the government is merely overlooking Haliburton County or whether our youth simply lacks the am-

bition to apply or to present their projects properly is difficult to say, he explained.

Treasurer, Richard Parisotto said the 60 day allowance means that a cottage owner or a permanent resident may have his property devalued by the presence of an unsightly trailer parked on an adjoining lot for the months of July and August.

As yet, there are no firm standards regarding size or condition of vehicles approved as trailers. Thus, Council had proposed a by-law to rezone the area against

these vehicles. The Ontario Municipal Board objected to the proposition for several reasons, the most important being the fact that the area does not currently provide enough space especially designated for trailers and mobile homes. Reeve Reg Booth allowed that the proposed by-law had been poorly worded and it was decided that the proposition would be rewritten for further consideration by the Ontario Municipal Board.

Tourist booth opens

June 21

The Townships of Anson, Hindon and Minden announced at last Monday's Council meeting that the Tourist Information Booth located on Highway 35 would be open to serve the public commencing June 21st.

The booth, formerly operated by the Haliburton Highlands Chamber of Commerce, was recently taken over by the municipality, at the request of the Chamber. It provides a worthwhile and popular service to both tourists and county businesses alike.

Natural Resources

A "Honey of a Tree"

By R.S. Beagan

A record-breaking basswood tree has been found in the Pembroke District of the Ministry of Natural Resources. The giant was nominated by Mr. J.O. Smith, Ontario Division. Located in McNabb Township 200 yards west of the boundary of the Town of Arnprior, the tree stands on a private 70 acre tract called 'The Grove'. The property was purchased in 1930 by the late D.A. Gillies, a prominent Ottawa Valley lumberman, whose wife still resides there.

While the former record-holding basswood tree in Wingham, Ontario exceeds the Arnprior tree in girth, diameter and crown spread, the new candidate is 46 feet higher, towering 128 feet! Based on a system of points the Arnprior basswood breaks the record by 40 points, principally because of its additional height.

'The Grove' at Arnprior was clear-cut about 150 years ago in the heyday of lumbering. The principal species of trees are dozens of one hundred and fifty year old white pines well in excess of 100 feet in height, interspersed with basswood, maple and beech. According to J.O. Smith of Consolidated Bathurst Limited 'The Grove' is probably the best present day example of a prime pine forest.

The basswood is a broad-leaved, deciduous tree displaying a whitish flower particularly attractive to honey bees. Its wood is soft, easily shaped and fine grained, and is used extensively in the manufacture of furniture.

THE MILK COMMISSION OF ONTARIO

Fluid Milk Inquiry

The Milk Commission of Ontario by authority vested in it under The Milk Act will undertake an Inquiry into certain aspects of the Milk Industry.

The Inquiry will attempt to determine how, after delivery to the processor, certain elements in the milk distribution chain contribute to the final price paid for fluid milk.

The nature of the Inquiry will include the acceptance of written Briefs and the receipt of Submissions, as well as a series of public meetings throughout the Province.

Persons or groups wishing to make representation to the Commission on any aspect of the Inquiry are requested to write to the Secretary of the Milk Commission of Ontario or to submit written Briefs with the undersigned not later than June 21st, 1975.

Public Hearings will be held at times and places in Ontario to be announced later and those filing Briefs or letters who wish to appear personally will be advised as to the time and place when they will be heard.

Please address all correspondence to The Secretary of the Milk Commission of Ontario, Ontario Ministry of Agriculture and Food, Parliament Buildings, Toronto, Ontario, M7A 2B2.

Dated at Toronto this 21st day of May, 1975.

J. F. Jewson,
Secretary,
The Milk Commission of Ontario.

W. R. Poole, Q.C.,
Counsel, Fluid Milk Inquiry,
The Milk Commission of Ontario.

TODAY'S HEALTH

Travellers to foreign lands need inoculations first

by David Woods

Travel may broaden the mind, but it can also play havoc with the body unless proper health precautions are taken before the intrepid traveller sets out.

This is especially important if your destination is one of the so-called developing countries where standards of hygiene may be lower than in Canada.

The fact is, much of the health protection Canadians get here in this country is largely unseen — and generally taken for granted — such things as good sewage systems, pure water supplies and pasteurized milk. These are provided for us. And we expect them.

But when you visit other countries, especially those in the tropics, you'd be advised to provide your own protection; to be, in a sense, your own medical officer of health.

This isn't too difficult to do — and it's obviously well worthwhile.

Dr. Shirley Johnson, senior medical consultant in epidemiology to the Ontario Ministry of Health, says that the first step is to find out what the inoculation requirements are for the country you're going to visit. You can get this information from your family doctor or your medical officer of health.

In addition to protecting yourself against, say, cholera, smallpox or yellow fever before leaving for countries where those diseases are found, Dr. Johnson also urges you to update your vaccination record generally. Before going away, she

says, it's a good idea to make sure that your protection against tetanus, polio and diphtheria is still effective; and, if you're taking the children with you, check the status of their measles vaccinations as well. Children may be at greater risk of contracting measles in other countries — an event that could ruin their vacation. And yours.

Since the required inoculations can't always be given at the same time, you should give the doctor plenty of warning about your travel plans. If malaria should be present where you're planning to go, be sure to see your doctor first for a malaria preventive, which is taken orally.

Once you arrive at your destination, you can still keep your health guard up without spoiling the fun. Try to avoid eating raw fruit or vegetables that you haven't washed and peeled yourself; make sure the water you plan to swim in is O.K.; be careful with the local exotic dishes, and especially avoid those served by street vendors or in unhygienic surroundings. And steer clear of stray animals since rabies is rampant in some countries. Also, if you have any doubts about the drinking water, remember to avoid the ice cubes, too.

While there are no absolute guarantees against Montezuma's Revenge or other such gastrointestinal upsets during your trip, by following the suggestions mentioned you can improve your chances of having a trip abroad unmarred by ill health. Bon Voyage.

Bus fund reaches \$1,000

By Lily Rawlins

The residents of Hyland Crest are sponsoring a Strawberry Shortcake Tea on Monday, June 16 from 2-4 pm as a means of raising funds for their bus.

As this Tea will be taking place during Senior Citizens' Week we are reminded that the 1975 slogan, 'It's the Time of Our Lives,' is a reality at Hyland Crest. The majority of the residents take part in many activities and when they get their bus you will find them turning up to many community functions throughout the County, thus proving It's the Time of Our Lives.

Of course they will be sharing their bus with the Crippled Children, the Sheltered Workshop, the Nursing Home and other Senior Citizens throughout the County.

This special bus with a hydraulic lift will cost about \$26,000. The Ontario Government will pay half, therefore these elderly people need to raise \$13,000. You must admit this is quite a large undertaking for those who now live in a Senior Citizens Home, but you only have to come in and talk to them a few minutes until they let you know they are determined to get it.

Usually during Senior Citizens Week some of them go on a picnic by chartered bus but not this year as they would rather have the money to go to their own bus so that all could go, not just those who get around without a wheelchair.

Within the next week letters will be going out to church and service clubs throughout the County in an effort to seek much needed support. The residents of Hyland Crest feel that with the purchase of a paraplegic bus they could make their slogan 'It's the Time of Our Lives' come true for the many, both old and young handicapped in Haliburton.

The residents wish to thank all those that have helped them to reach the \$1000 mark. Mr. Mike O'Neill, Muriel Welch, Barbara Ann Delorme, Sidney Brown, Gordon Allcorn, Lillian Curry, Harold Archer, Evelyn Robertson, Mrs. Steed, Lillian Harvey, Edith Winch, Phyllis McGrath, Peggy Henderson, joint choirs of Minden United and St. George's Anglican, Lillian Tomlinson, Hyland Crest Auxiliary, W.C.W. of Carnarvon and the following residents of Hyland Crest, Marjorie Kanally, Elma Welch, Ada Lewis, Ada Allcorn, Alfred Cox and Carrie Jones, and including the Grandmothers Tea.

GENERAL CONTRACTING

Larry Anderson - New homes and additions. Can arrange mortgages on new housing and additions. Qualified in painting and plastering. Phone 683-8336 or write c/o Brougham Ontario.

ABOUT THE TOWN

with Jeane Sears

The County would be glad to see the rain come last week, as people had been watering lawns and gardens but natural moisture is so much better for plants. Most of us live our lives the way we watch TV. Even though the program isn't as good as we would like it to be, we are too lazy to get up and change it.

Pamela J. Bowlin.

Sincere sympathy to Mrs. H. Bolton on the death of her uncle, Mr. Albert Ahlers.

Do you think this is true? Maturity begins when we're content to feel we're right about something without feeling the necessity to prove someone else wrong.

S.J. Harris.

The community sends good wishes to Clarence McInerney at St. Michael's Hospital, Toronto, Archie Trumbull at Civic Hospital, Peterborough and to Don Francis at Ross Memorial.

When I have time, so many things I'll do
To make life happier and much more fair
For those whose lives are crowded with care.
I'll help to lift them from their low despair.

When I have time,

When I have time, the friend I love so well
Shall know no more those weary toiling days;
I'll lead her feet in pleasant paths always,
And cheer her heart with words of sweetest praise,

When I have time,

Now is the time! Ah, friend, no longer wait
To scatter loving smiles and words of cheer
To those around whose lives are now so drear,
May not meet you in the coming year---

Now is the time!

Anon.

Next week is Senior Citizens Week, why not pay some calls on your older friends, whether personally or by phone. They will welcome a nice chat with you in this special week.

Mr. and Mrs. T. Hurta left on the weekend for a visit with friends and relatives in Finland.

Don't forget, ladies, the W.I. Picnic Meeting will be at the home of Mrs. William Moore on June 18 at 12.30 and this group welcomes any newcomers to join us.

Money Talks

I am twenty-five cents,
I'm not on speaking terms with the baker;
I'm too small to buy a quart of ice cream;
I'm not large enough to buy a box of candy;
I'm too small to buy a ticket to a movie;
I'm hardly fit for a tip any more.
But believe me----when I go to Church on Sunday,
I am considered some money!

Eddie McKean

Harry J. Cowan and Jim Hamilton are home again after being in hospital.

Mrs. P. Clarke, Mrs. L. Cox, Mrs. W. Cowan, Mrs. Ern Hewitt, Mrs. A. Todd, and Mrs. W. MacArthur attended the 60th Anniversary of Powles Corner W.I. Saturday at their Church, and enjoyed the program and lunch.

If there is righteousness in the heart,
There will be beauty in Character.

If there is beauty in character,
There will be harmony in the home.

If there is harmony in the home,
There will be order in the nation.

If there is order in the nation,
There will be peace in the world.

Anon.

Mr. and Mrs. Phil Robinson and Bradley enjoyed several days last week at Ottawa.

Heard on CFRB on Monday that ten of the staff bought a ticket on the Million Dollar Lottery and won \$100; they were wondering who would interview a winner? Sunday, June 22 will be an eventful one with the Community Picnic at Minden Park by the Rotary Club with races, games, and sing-a-longs so bring your basket and join the crowd and enjoy an old-fashioned day.

Take time to work--it is the price of success.
Take time to think--it is the source of power.
Take time to play--it is the secret of perpetual youth.
Take time to read--it is the fountain of wisdom.
Take time to be friendly--it is the road to happiness.
Take time to dream--it is hitching your wagon to a star.
Take time to love and be loved--it is the privilege of the gods.
Take time to laugh--it is the music of the soul.
Irish Digest.

We notice trucks drawing fill to the lots south of the IGA wonder if there will be more buildings going up in that area.
A good deal of traffic over the weekends, so drive carefully.

EDITORIALY

It's a Date

Over the years Minden's Rotary Club has sparked a wide variety of community projects.

These have ranged from parks development to a jazz festival to participation in the Five Counties Crippled Children's Centre in Peterborough.

Now comes their sponsorship of a project that will assuredly receive the warmest of welcomes throughout the community: the first annual Minden Community Picnic at Minden Park on Sunday, June 22nd.

Back awhile, when many of us were just pups, as they say, community picnics were all the rage! It was a family outing and for the youngsters it was full of excitement.

Races, games and contests vied for your attention with whatever entertainment was the order of the day.

But no matter what, year after year the winning event had to be the picnic lunch produced with loving care by countless mothers and invariably full of all sorts of delightful, tasty surprises. A fellow gets hungry just thinking about it.

Better mark that date down now and we'll see you there a week Sunday.

That Season

It's that season again...the boating, water skiing, swimming season.

And, all too often it's the drowning season, too.

Each and every year countless adults and children alike lose their lives in the waters of Canada and Ontario and Haliburton County, too.

We all know the causes just as we all know that virtually every drowning death could have been prevented.

The philosophy behind defensive driving heard so often in connection with highway and driving safety could well be applied to the prevention of water accidents and drownings.

Think about it, then try defensive drownproofing on yourself and your family. Who knows, it could save a life this season.

Report from Parliament

by William Scott M.P.

A new government bill, to amend the Old Age Security Act, has been tabled in Parliament, and it goes a long way towards implementing some of the proposals made by the Conservative party in the 1974 federal general election campaign.

The new bill is almost certain to receive speedy passage when it comes to a vote on third reading, hopefully after a few amendments have been made in committee to remove some inequities.

One of the provisions of the bill will provide for the payment of the old age pension, at age 60, to a person whose spouse is 65 years of age or older. Under the present regulations both the husband and wife must now wait until age 65 to receive the pension.

The bill also provides for agreements between the federal government and provinces that have provincial pension and supplement programs, and this is important because the new bill will also allow for the payment of the old age supplement at the lower age level.

Another new feature of the bill will provide for the payment of the old age pension to a person, at age sixty, who has lived with a spouse for at least three years, where there is a legal or other bar to the ability of the couple to get married. In the event that a couple is married, though, they will only have had to live together for at least one year.

A person who applies for the pension at age sixty, whose spouse is receiving the pension at the eligibility age of 65, will have to undergo a means test. In other words, the pension will not be paid at the lower age level if the couple has sufficient income to maintain an adequate living standard.

There is also provision in the new bill for the Minister of National Health and Welfare to forgive an overpayment if it can be shown that recovering the overpayment would work a hardship on the pensioner. The Minister can also forgive the overpayment if the cost of recovery is too high in relation to the amount that would be paid back to the treasury.

There are two aspects of the new bill that I hope will be changed, and if they are, it will make for a greatly improved old age security program. In the first place, there is no provision for payment of the pension to a spinster, for instance, at the lower age level. This is discriminatory, in that it does not recognize that there are many very good reasons why some people do not marry. Another section of the bill provides for the pension of the person who is drawing a pension at age 60 to 65 to be cut off in the event of the death of the eligible spouse. This is not right. Once the pension has been approved, it should not be cut off because of the death of the other member of the couple.

This is especially true where there is no other source of income. A better method in this case is to apply the means test, rather than to have a hard and fast rule to discontinue payment of the pension. As I said throughout my election campaign in 1974, I can foresee the day when everyone will be given the option of retiring at age 60, and to draw the old age pension. People should also have the option of working until at least the present retirement age of 65 years.

In my view, the new bill is one part of the answer to the problem of erosion of buying power of pensioners due to inflation. It will allow for additional income for a couple where one spouse is forced to retire before age 65 due to health or other reasons. The new law will become effective on October 1st of this year.

The Reeve's Corner

By Reg Booth

Recently we have made comment regarding those citizens who have made a large contribution to the welfare of the Provisional County of Haliburton. We have called these people, "Men who have made a mark".

This comment would not be complete unless we included the late Francis (Frank) Welch. Frank spent his lifetime helping people, and he did it in such a way that very few knew just how many people he did assist. He was helpful to many of those who he must have realized would be totally unable to return the favour.

The writer first knew Frank in the late forties and then sat on Council with him in 1951. Before this time Frank had assisted in the amalgamation of the Townships of Anson, Hindon and Minden. This alone was a step that was to be a major accomplishment, and a step that today must reflect a forward looking approach to all who are interested in the Municipal trend of the 1970s.

Frank continued until his untimely death to participate in Municipal improvement and to make an effort to conduct the affairs of the Municipality in ways that would show growth in future years. Only minutes before his passing he visited with the writer to discuss a problem which affected all of the people of our Municipality.

Here then is another "Man who has made a mark".

LETTERS TO THE EDITOR

Dear Sir:
Through the medium of your newspaper, on behalf of the

Minden Branch of the Canadian Cancer Society, I would like to thank all those in the town of Minden and the surrounding area, who contributed so generously to the 1975 Cancer Campaign. The amount received was \$1,729. I wish to thank the volunteers, for the time that they spent in making the canvass the success that it has been.

Yours truly,
Ina M. Brintnell,
(Mrs. Percy W.)
Campaign Chairman.

DON'T MISS THIS OPPORTUNITY!!! BUILDING LOTS

2 - 1 acre home sites on township road, lots of maple trees, 1/2 mile to Minden centre. Listed at \$6,000 each.

CANNING LAKE 185 FT. FRONTAGE

2-bedroom cottage, could easily be 3, kitchen, living room, 2-pc. bath, enclosed porch. Furnished. 2 boats, motor, sand beach, secluded. \$28,500. Terms.

GULL LAKE

100 ft. wooded lot on this popular lake, driveway in, rocky shore, easy access off No. 35 highway. \$10,000.

HALL'S LAKE NEWS

by Doreen Stinson

Mrs. Sadie Montgomery and her grandson, Tom Montgomery and granddaughter Colleen are at the cottage for a holiday. Tom will be staying on for the summer months. Mrs. J. Baird had members of her family with her for the week-end.

Mr. and Mrs. Roy Clark and her mother have returned after having had a visit to England.

The Caption 'Butcher fined for cutting up' in last week's paper made me think of the Butcher who backed into the meat grinder and got a little behind in his orders! The Airport Committee held a picnic on Sunday for those who helped out at the Fly-In last Sunday.

Mrs. Hazel Welch is still enjoying a visit with her cousin in Kirkfield.

Sorry to learn that Mrs. Murray McGuire has been on the sick list.

Euchre games are being pretty well attended since the better weather has arrived, at Club 35 that is. For 50¢ a pleasant evening with neighbours and friends playing cards, a chance at winning a token prize, plus refreshments, all make for a good night out.

Just read an interesting article regarding our Changing World stating that 'Depression' songs could cheer us up. Songs like 'On the Sunny Side of the Street', 'The Best Things in Life are Free' and 'Here it is Monday and I've still got a Dollar'. One of the popular pieces today is 'Brain Damage' (the lunatic is on the grass and I shot the Sheriff). Even 'Walking my baby back home' might be a good idea with the high price of gas.

Mr. and Mrs. Jack MacGregor of Toronto and their two young daughters have moved in to Camp Kandalore to manage it for Mr. Kirk Whipper. Their girls go to school in Dorset. We welcome them as year-round residents. Mr. and Mrs. George Holliday from Mount Forest spent the week-end at Hall's Lake.

Not so nice weather over the week-end but a lot of cottagers got their odd jobs done. Today is a beautiful day after rain and coolness.

The Rev. Douglas Brown and Mr. David Danner had dinner and spent the evening with the Stinson's on Thursday. David is the student Minister for the Summer and has an excellent reading voice in the Church and also at the Home in Minden, which the Seniors enjoy.

Nice to see Mr. and Mrs. Laurie Arthur up for their 10 day holiday and Mr. and Mrs. Neil for the week-end and glad to hear they got their cottage garden in.

Mr. Leonard Stinson has departed for a week in Hamilton.

Sorry to learn that Mr. Tom Edsel and his wife and family of Huntsville are leaving for the West. Tom has been one of the good mechanics with the Department of Transportation and Communications for some years through this area and will be missed.

Congratulations to Mr. and Mrs. Walter J. Harrison who are celebrating their third wedding anniversary on June 16.

Dear Sirs:

As our subscription expires in July, I am forwarding a cheque for \$5.00 for a further year's subscription. We look forward with interest to the 'Progress' arrival each Monday and I was wondering if there is any possibility of a recipe column being started. I have received so many excellent hints and recipes from various Minden-area residents and feel there must be many ladies in the Minden area who could get such a column started. Women are only too glad to offer their favorite recipe to others and receive some in return.

You are very fortunate to have such a beautiful area in which to reside - summer or winter - not like the crowded City. Good luck to the Progress and thank you for sending it to us.

Yours truly,
(Mrs) Alleen Stirling.

Okay gals, who's for a Recipe Exchange? Mail or bring in your favorite recipes together with any information on their origins and we'll publish them in The Progress for others to enjoy. Ed.

Days with thunder storms	2

Trent-Severn Waterway News

Early in the week storage in the reservoir lakes stood at 89% with gradual decline continuing on the Gull River to maintain 450 cubic feet per second above Coboconk.

Sparse rainfall continues to hamper water control efforts as we try to cope with the after effects of the warmest May on record.

Cooler, wetter weather forecast by the U.S. Weather Bureau for Mid-May to Mid-June would certainly help in this short supply situation.

Haliburton County Board Of Education

WANTED

Secretary

Applications are invited for the position of Secretary at the Victoria Street Elementary School, Haliburton Village. RED CROSS Water Safety

By Frank Waters

About 400 Ontario residents will drown this summer. It is such a needless waste, but that's the way it will be, unless this summer is very different from recent summers. Here are two water safety rules that will help.

1. If you can't swim, learn and until you do, stay out of boats, and away from water; and even if you can swim well, always wear a lifejacket when in a boat of any size.
2. Do not stand up in a boat or canoe at any time.

Ten per cent of all Ontario drownings last year came from the use of canoes, and most of the victims were not wearing lifejackets.

The Water Safety Service will provide booklets concerning the use of rowboats, canoes and power boats.

Bible Facts

The dictionary meaning of the word eternal is, 'without beginning and without end'.

In the Bible eternal life is connected with the existence of man at least twenty times, and as something for man to lay hold on in (1st Timothy 6: verses 12 and 19) indicating that life is a continuous experience whether in a body or out of a body (2nd Corinthians 12:2).

How can anyone who thinks that a new soul is created in every baby that is born lay hold on the NO BEGINNING side of life eternal, and realise how birth and death are each a resurrection of life?

Senior citizens keep busy

By Mrs. Elsie Bursey

The week of June 15-20 has been declared Senior Citizens week. It is a special week to remember and appreciate our parents and grandparents who are still with us. It is also a time when they show us what Senior Citizens can do for themselves and others.

At Hyland Crest the program for the week includes entertainment both for and by the residents. On Monday, June 16th the residents invite you to come and see their Home. It is Open House Day and you can also enjoy the Tea and Strawberries prepared and served by the residents for just 50¢ the proceeds for the Paraplegic Bus fund.

On Tuesday, June 17 all residents of Haliburton County over the age of 70 with their spouse and/or escort are invited to dinner at Hyland Crest at 5.30 pm to share the meal and fellowship with the residents of Hyland Crest. (see the ad in Coming Events). Thursday the regular afternoon Tea will be served on the lawn.

On Friday evening, June 20 at 7.30 pm there will be a program of Old Tyme music and dancing. Come and join us.

Who says the Senior Citizens at Hyland Crest are not living the slogan of the week 'It's the Time of Our Lives!'.

SPORTS

by Cliff Burke

Softball

THE WHIZ KIDS

The Gull River Bulldall is presently in first place in the Haliburton Senior Softball league and a big reason is the performance of the above three youngsters. In the center is the 1974 Rookie-of-the-Year, Al Trepanier, who incidentally is batting .666 after the first five games of the season. On Al's left is Kirk Hewitt, fast becoming the finest first baseman in the league and a prime candidate for this year's top Rookie. On the right is another rookie this year for the Builders, Paul Fleming. Paul is doing a fine job in center field for Gull River and presently holds a .333 average.

Popular water fountain back on soon

Minden's recently vandalized water fountain should be back in service shortly and judging from the queries and complaints to the municipal office and council members by thirsty residents and visitors, it can't happen too soon. Two weeks ago vandals smashed the drinking fountain located near the Minden Post Office and operated by the Townships of Anson, Hindon and Minden. Then came a flood of queries and complaints from vis-

itors and from residents of Anson, Hindon, Minden, Stanhope, Lutterworth and Snowdon as well. The necessary parts have been ordered and the water fountain should be repaired and back in service shortly, Clerk-Administrator Richard Parisotto told the Progress this week. Meanwhile a gratified municipality has noted the popularity of its water fountain and the service it brings to so many.

Kinmount seniors report

The Senior Citizens' Club of Kinmount, which was organized last Fall under Charter #714 has proved to be a very successful venture. Many happy hours are spent at the 'Drop In Centre' in St. Patrick's Hall. The club meets every Wednesday afternoon at 1.30 and once a month it meets in the evening for games, buncocards, bingo or dancing on occasion. The club invites all citizens young and old to join with it the second Wednesday even-

ing of each month at 8 o'clock. Refreshments are always served with a small charge to cover cost. The ladies have made and quilted two lovely quilts which will be disposed of by selling draw tickets. A bulletin board has been erected on the bank building and it is hoped everyone will feel free to use it. Further reports on the Kinmount Senior Citizens Club and its activities will be made from time to time.

According to one word wit, in the world of fashion, timeless is anything that lasts longer than one season.

AL TREPANIER, BUILDERS

RED-HOT

Gull River Bulldall came up with their fourth and fifth victories of the season this past week. On Monday in Minden the Builders downed the West Gullford Redmen 10-7. Then on Tuesday in Haliburton the Builders crushed Haliburton Huskies 18-8.

Al Trepanier, 1974 Rookie-of-the-Year in the Haliburton Senior league went four for four at the plate against the Redmen, driving in four runs and scoring three himself on a single, two doubles and an inside-the-park home run. Rick Hartwick (2-0) picked up the win giving up seven runs on seven hits, two of which were towering homers by Floyd Henry and Paul Sisson, six walks and two strikeouts. Wade Stamp (1-3) suffered the loss allowing nine runs on eight hits, walked five and fanned four. Craig Stamp relieved Wade in the sixth and allowed one run on four walks. In Haliburton Tuesday, the game was close for two innings 6-5 but when coach Neil Burk replaced starting pitcher Leigh Bull with ace Rick Hartwick, the game was no contest.

Once again Al Trepanier came up with a splendid evening, getting five hits in six trips to the plate, three of them doubles. Doug Heath and Neil Burk also were five for six with eight doubles between them. Leigh Bull (0-0) completed two innings, giving up runs on six hits, walked one and struck out two. Rick Hartwick (3-0) worked the last five innings, allowing three runs on three hits, walked two and fanned eight. The eight strikeouts gave Rick the league lead with 23. George Simmons (0-2) suffered the loss.

DOMINION FLEXES

MUSCLES

The Dominion Hotel Shufflers went to the home run ball on Wednesday evening at the Minden fairgrounds, in completely thrashing the Haliburton Huskies 15-2.

Dave Trepanier started the home run barrage in the second inning and by the sixth the Shufflers had four more, one each by Gene Newell, Larry Kent, Glen Price and Harris Steele.

Dave Trepanier and Larry Kent were hot at the plate on this night, each raising their batting averages with three hits in four trips to the plate.

Jack Snell (4-1) continued his torrid pitching, giving up two runs on eight hits, lowering his earned run average to 2.12 for five complete games. George Simmons (0-3) took the loss, his second in as many nights.

There were a couple of releases around the league this past week. First Gull River released George Simmons to Haliburton, outright. Gull River also traded Tom Lee to Dominion Hotel for Gary Brohman and Roy Boughner was released outright by Haliburton.

Bowling

BILL PHILLIPS WINS CNE

TRIP

On Sunday afternoon at Medley's Bowl in Carnarvon, the home lanes took on Bancroft in a tournament of flat bowling. The tourney was a five-game affair and Carnarvon's #1 team of Ronnie Robinson Jr., Doug Robinson, Ed Cox, Fred Cox, Walt Ackerblade and Ev Stata easily won with a pinfall of 5553. Bancroft finished second with 5376 and Carnarvon #2 third with 5262.

Bill Phillips walked off with the high five of the day of 1166 just four pins ahead of Carnarvon's Ev Stata. Walt Ackerblade finished third with 1159. The high single award of 304 went to Ev and the high triple of 723 to Ronnie Robinson Jr.

The C.N.E. Sportsmen Show roll-offs were also held at the same time and Bancroft's Bill Phillips will represent our area at the C.N.E. Ronnie Robinson (1121), Wes Stata (1068), Cliff Burke (1039) and Stan Dunsford (1021) also competed.

Sports fans may find their title in controversy. Some word experts say fan comes from fanatic, others that its from fancy, the gentlemen who frequented prize fights in bygone days.

Vegetables Makes A Hit With Cholesterol-Watchers

Vegetables, at times sorely neglected, are indeed becoming more important to today's menu planner. Meat prices are restrictively high. In addition, many nutritionists are recommending that we decrease the amount of meat in our diets, in order to restrict our intake of saturated fat and cholesterol.

Many housewives who are serving less meat to their families are turning to vegetables to add excitement, as well as nourishment, to family meals. Fresh, frozen or canned, they are making their way to the table in greater abundance and in a variety of interesting dishes.

Be creative with vegetables! Give them the special attention they deserve. Try a different variety or a new preparation of an old favorite.

Combining two or more vegetables is a nice way to create a flavorful and nutritious side dish. The Vegetable Combo below blends zucchini, kidney beans and tomatoes for a delicious skillet dish with an Italian accent. Made with Fleischmann's 100% Corn Oil Margarine, high in polyunsaturates, this recipe is ideal for cholesterol-watchers.

"Sensible Eating Can Be Delicious" is a new 32-page color booklet packed with other low cholesterol recipes, cooking techniques and shopping hints. Send for your free copy today by mailing a postcard to: P.O. Box 644, Madison Square Station, N.Y., N.Y. 10010.

VEGETABLE COMBO

- 1 green pepper, seeded and cut into strips
- 1 cup sliced onion
- 3 tablespoons Fleischmann's Margarine
- 1-1/2 pounds zucchini, cubed
- 1 can (19-ounce) whole tomatoes, drained
- 3/4 cup drained, canned kidney beans
- 1 teaspoon salt
- 3/4 teaspoon crushed basil leaves
- 1/8 teaspoon pepper
- 1 tablespoon cornstarch
- 1 tablespoon water

Saute green pepper and onion in margarine, until soft. Add zucchini, tomatoes, kidney beans, salt, basil and pepper. Cover; simmer 15 minutes. Blend cornstarch in water to a smooth paste. Stir into mixture in skillet. Cook until thickened, about 1 minute. Makes 10 servings.

Fire rule

A fire regulation which has been in existence since 1973 finally came to Council's attention at last Monday's meeting.

Fire Chief Eldon Deacon reported that according to the Ministry of the Environment, all wholesalers and retailers carrying any pesticides at all are required to notify the area fire department of the type and quantity they have in storage.

Because most local merchants, like Council members themselves were not aware of this regulation, Council decided they would be notified individually by mail.

GARAGE SALE

Sat. June 21, 1 pm.
Refrigerator, range, humidifier, baby items (car seat, stroller, etc.) Household and novelty items, odds and ends.

Stout Agencies Ltd. Realtor.

ENGAGEMENT

Mr. and Mrs. Gordon Sharpless are pleased to announce the engagement of their daughter, Sheila Isabella, to Thomas Stephen Baillie, son of Mr. and Mrs. John J. Baillie of Toronto.

The wedding is to take place on September 1, 1975 at the Minden Gospel Church.

FORTHCOMING MARRIAGE

Bruce and Pat Fearrey are pleased to announce the marriage of their daughter, Cheryl, to Murray Miscio, son of Alvin and Clara Miscio. Wedding to take place at Haliburton United Church on June 14, 1974 at 7 p.m. Dance following at 9 p.m. in Haliburton Legion. Friends and relatives welcome.

IN MEMORIAM

HOLLAND: In loving memory of a dear wife, mother and grandmother Nellie, who passed away June 13, 1972. Beautiful memories are wonderful things, They last till the longest day; They never wear out, they never get lost And can never be given away
To some you may be forgotten
To others a part of the past
But to us who have loved and lost you
Your memory will always last.
Sadly missed, but lovingly remembered by
Maurice, Garry, June, Tammy and Lisa.
